

International Headache Society

IHS Grant Opportunities 2019

IHS Fellowships

Junior Travel Grants to IHC

Fellowship

The International Headache Society (IHS) is accepting applications for clinical and/or basic headache research fellowships

The IHS fellowship award aims to support innovative and impactful research from young investigators, promote the career of young investigators in the field of headache, and increase the knowledge base of headache disorders

Applications for basic or clinical headache research, or a combination of basic and clinical research, will be considered

Criteria:

- The applicant should be within 7 years of completing training (MD, PhD, specialty training, whatever was last) not including non-professional periods
- The hosting institution must be different from the home institution and preferably, but not necessarily, in another country
- The applicant and mentor must be members of IHS

APPLY NOW if you are interested in enrolling in one of these international programmes

Deadline: 22 April 2019

International Headache Society

IHS Research Grants 2019

Call for proposals

The International Headache Society (IHS) is accepting research applications for scientific projects (any kind of research acceptable) that further the mission and goals of the Society.

Funding up to € 150,000 will be allocated to support between one and three research projects.

Preference will be given to projects that involve collaborations amongst investigators from multiple institutions and countries.

- Applicants must be members of IHS
- Research project must be completed within 24 months

The applications will be reviewed by a committee elected by the IHS Board. After acceptance, applicants will be asked for a more detailed research plan.

For more information please click [HERE](#).
