

Inauguration of the new building of the Danish Headache Center and Headache Symposium of the Danish Headache Society (DHOS) 2018

Program for oral presentations

Day 1 (April 6, 2018)

1. Agneta Henriette Snoer
Cluster headache beyond the pain phase: A prospective study of 500 attacks
2. Diana Wei
Nitroglycerin-induced cluster headache
3. Nunu L.T. Lund
Is cluster headache a sleep disorder? A controlled polysomnography study in episodic cluster headache
4. Paula Sureda Gibert
Use of the Orofacial Pain Assessment Device (OPAD) to measure Nitroglycerin-induced facial allodynia in mice
5. Francesca Puledda
Understanding the pathophysiology of visual snow syndrome
6. Lisette Kogelman
Prediction of pharmacological treatment response in migraine using a genetic risk score
7. Kelsey Nation
Stress-induced activation of a lateralized kappa opioid receptor amygdala circuit promotes pain in a model of medication overuse headache
8. Judith Pijpers
Withdrawal and botulinum toxin A in chronic migraine
9. Sajedah Eftekhari
The CGRP receptor antagonist olcegepant modulates cortical spreading depression in vivo

Reviewers: Troels Staehelin Jensen, Dimos Mitsikostas and Arne May.

Day 2 (April 7, 2018)

1. Ariadni D. Daponte
Headache and stroke: Clinical and radiological perspectives
2. Maike Möller
The hypothalamus as the essential component in nociceptive activation of the trigeminal-autonomic reflex
3. Luise Haulund Vollesen
Effect of H1-antihistamine clemastine on PACAP38 induced migraine
4. W.P.J. (Ron) van Oosterhout
Migraine and the unsatisfied hypothalamus
5. Marie Deen
High brain 5-HT levels in chronic migraine patients: A positron emission tomography study
6. Christian Ziegeler
Non-dental chronic facial pain in dental practices – diagnosis, therapy and self-assessment of German dentists
7. Katrine Falkenberg
Does sumatriptan reduce cilostazol induced headache?
8. Meg Duroux
Serum mi RNA expression in migraine with aura
9. Sabrina Khan
Meningeal contribution to migraine pain: a 3T MR angiography study

Reviewers: David W Doddick, Peter Goadsby and Laila Bendix.

Financial support for the Annual Meeting is provided by:

Teva Europe
